# ROTARY CLUB SAN FERNANDO SOUTH
## Launches
## SECONDARY SCHOOL RECYCLING PROJECT, 2012

The Rotary Club of San Fernando South in partnership with fellow stakeholders The Trinidad and Tobago Solid Waste Management Company Limited (SWMCOL) and Recycle in Motion (RIM) officially launched their "South Secondary School Recycling Project "on **Tuesday 24th April, 2012 at the San Fernando Central Secondary School, Todd Street, San Fernando.**

Minister in the Ministry of Public Administration, The Honourable Carolyn Seepersad-Bachan gave the feature address calling on the students to **"Go GREEN! Saying they were the future leaders of Our Country"**
and that it is expected that they will be responsible for making a change.
