

Welcome to our CharLiE® page!

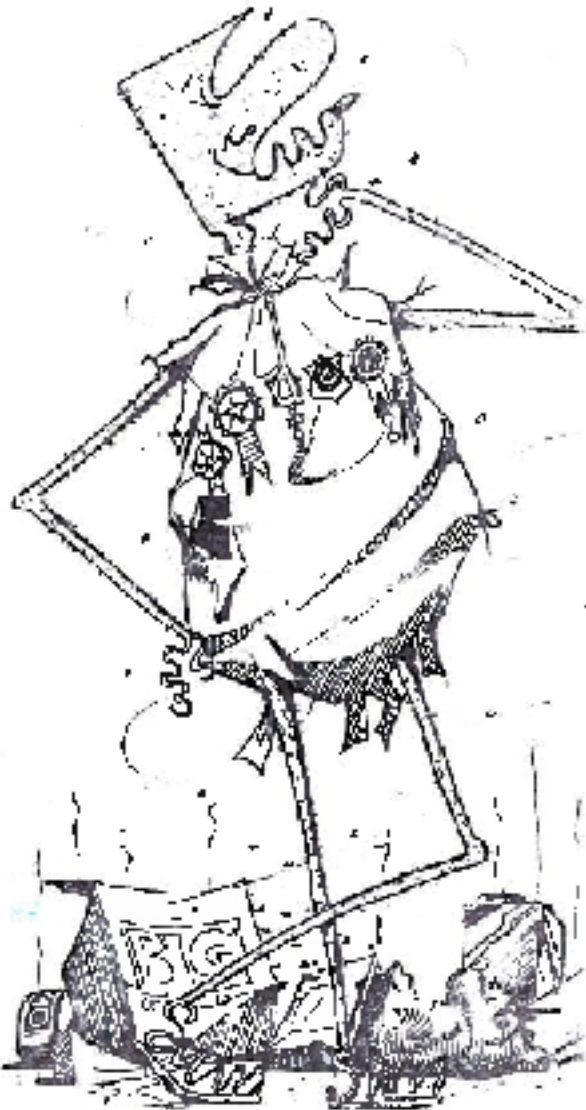

CharLiE® is the ultimate litterbug and resident of illegal dumping grounds. He deplores spaces that are clean and beautiful, preferring instead, to wallow in filth and garbage.

CharLiE® was created in 1981 during SWMCOL's first year of operation. At that time, CharLiE® epitomized our lack of respect for our beautiful island environment, particularly when it came to littering. In fact, while

was designated President General for Life of the Association of Trinidad & Tobago Messmakers, Inc. he also wore the following hats:

President of Litterbugs and Garbage Dumpers
can't blame us for the mess you made, but your scheme that all was messy here until you
arrived is a bit of a stretch. You know you've got your own mess to clean up, so why
do you blame others? It's a shame you're not taking any responsibility for your own actions.
