

IMPORTANT NOTICE TO ALL WASTE HAULERS ENTERING THE LANDFILL SITES

In the course of its duty as manager of the nation's three (3) landfills at Beetham, Guanapo, and Forres Park, SWMCOL wishes to remind waste generators and haulers that the collection and disposal of the following types of waste must be declared prior to entry to the landfill:

Asbestos Material (Treated)	Drilling Pipe Protectors	Obsolete Film Materials (Plastic Film)
Bulky Waste (Appliances/Machinery)	Expired Pharmaceuticals	Paper Plant Sludge/Slurry
Chicken Offal	Filter Materials/Inert Catalyst	Pre-treated Spent Chemical Containers
Commercial Process Wastes	Hatchery Waste	Spent Compressed Gas Cylinders
Cooling Tower Material-Dried Sludge	Incinerator Ash	Spoilt Food Items
Cooling Tower Material-Fill/Wood	Industrial Liquids Waste	Treated & Solidified Wastes
Defective Commercial Materials	Industrial Residual Waste	Treated Contaminated Soil
Demolition Wastes (Wood/Galvanize)	Insulation Materials/Fiberglass	Treated Industrial Resin/Sieve
Derelict Vehicles	Liquid Food Waste	Treated Lead Contaminated Soil
Drilling Mud/Sludge	Melamine Slurry/Treated	

NOTE These waste types are **NOT** accepted at the landfills:
▪ eWaste ▪ Lead Batteries ▪ Fluorescent Bulbs

The public is reminded that these **SPECIAL WASTE DISPOSAL** guidelines are in place to **safeguard against environmental pollution and any risk to human health as a result of the presence of these wastes.**

For further information and assistance regarding collection and disposal guidelines and fees for the items listed above, please contact SWMCOL.
