

ROTARY CLUB SAN FERNANDO SOUTH Launches SECONDARY SCHOOL RECYCLING PROJECT, 2012

□

The Rotary Club of San Fernando South in partnership with fellow stakeholders The Trinidad and Tobago Solid Waste Management Company Limited (SWMCOL) and Recycle in Motion (RIM) officially launched their "South Secondary School Recycling Project "on **Tuesday 24th April, 2012 at the San Fernando Central Secondary School, Todd Street, San Fernando.**

Minister in the Ministry of Public Administration, The Honourable Carolyn Seepersad-Bachan gave the feature address calling on the students to **"Go GREEN! Saying they were the future leaders of Our Country"** and that it is expected that they will be responsible for making a change.

~~SWMCOL is proud to be a part of the South Secondary School Recycling Project. The project is a joint effort between SWMCOL and the Rotary Club San Fernando South. The project is a great way to educate students about recycling and to help reduce the amount of waste that ends up in the landfill.~~
